12. New member information
13. Pool hours
14. Dates to remember

HAPPY MEMORIAL DAY AND OPENING SEASON

Greetings

Your Board of Managers hopes this newsletter finds you in good health and ready for a Great 2016 Boating Season

AYC NEWS

Common Courtesy.

We have a great Marina with fun, exciting members. Your Board works hard at keeping it clean and beautiful. Here is a list of some simple courtesy rules for your AYC.

1. Never park in front of another slip's space
2. Slow down when driving in the Marina
3. Turn down music after 10 PM (for neighborhood also)
4. Never swim in the Marina.
5. Leave enough space on each cement patio behind boats to walk (This is for safety and "beautification")
6. Full-size refrigerators or freezers on the dock patio are excessive and "ugly".
7. New additions behind a slip are not permitted according to the rules and regulations by the condo offering.

Suggestions and invitations from our Members

Any member may request to share news or ask questions about the AYC. (They are only published by permission from sender.)

AYC Approved Detailing Vendors

All vendors that enter the AYC must be approved by the Board

We have millions of dollars of boats at our Marina. Your board must help to protect them from damage. This means that all vendors must show proof of a 2 million dollar insurance policy. This is the first of many lists of approved vendors. These are the only detailers at this time approved to be in our marina. This includes the use of open flames used to shrink wrap.

Approved List of Detailers

Crystal Shine
Jose Velazquez
631-384-9463

Prestige
Victor
631-445-8293

LI Detailing and Diving Services Corp.
William
917-689-1551

L & I Detailing
516-633-5512
Austin

Appearance Plus
631-669-4852

and of course our full service in house marina
East Shore Marine
631-225-5656

Any other detailer must call office to be approved

Event Reminder

Opening of Season Party Event

Saturday June 4, and Rain date Sunday June 5 , 2015

Sponsored by your AYC and East Shore Marine

The following children's activities will be set up during our season party event in our marina infield

Bounce

Dunk Tank

Slide

QB Blitz

Swamp stopper

Gladiator Joust

New addition Food Truck

We will also have an additional BBQ truck for traditional fun food

Free Cotton Candy Machine

Event Staff will be present for six hours each day

Volunteers will also be needed (please call AYC office)

AYC Board of Managers Reminder

Splash Down Date

All Boats must be off the Condo Property by May 31

This rule is for the benefit of all members of the AYC. No one wants boats interfering with their personal area during the boating season.

Wi-Fi

Each Year Wi-Fi is being increased

There are now 12 antennae throughout the Marina. It is a very advanced network. While you travel throughout the marina each antennae is synchronized to drop and pick up the next closest antennae signal without interruption.

As in any Wi-Fi system it will slow up if too many people are on it. Therefore please do not give out the password to the neighborhood or at Venetian Shores. We will be carefully monitoring the usage for each antennae. Our friends at I tech security constantly “tweak” the system throughout the marina. The system has been set up to handle over 500 emails at any given moment. Please be courteous when using streaming movies or games. When you’re not using it please shut it off.

How to set up your personal Wi-Fi

1. When you go on your device you will see: **AYC-Public**
2. You may then put in the AYC pass code
3. The passcode is available in the main office with Billy
4. You may also ask any board member for the passcode.

Have Fun

East Shore Marine Repairs and Services

From the Desk of

Vinny

President of East Shore Marine

1. Gas dock discount stickers are available at the gas dock — **You save - \$0.10** per gallon. (For A/C Members Only)
 2. The gas dock is now open full time 9-7 Monday – Thursday, and 9-8 Friday Saturday and Sunday
 3. Just a reminder that the parts store is open 6 days a week 9 - 5 at East Shore Marine.
- See or call Bob (631-225-5656)

New Installations

Gazebo at park at end of G dock

Bulk heading and Patio's at "C" dock

More benches throughout Marina

New Flag pole at end of "G" Dock

Newly blacktopped roads

Roads are among the most costly repairs we undertake each year. This year we put in extra time and money on a particularly troublesome area. "H" dock road has always been a difficult spot because of the soft ground and bog area. We dug four feet down and added extra layers of stone and "RCA" to combat the yearly problem. Below are some pictures of the extra work we did in that area.

Our Pool is one of the main attractions of the AYC. Keeping it crystal clear and clean is our top priority. Our past system was in need of too many repairs so we invested in a new automated system and pump (see below)

Cat Pro 2000 controller

5 hp three phase pump and motor

To all Members that have just joined the AYC for the first time

A quick guide (overview) of our facilities

Pool

Waterfall

Gazebos for parties

Gated entrance

You may get a remote entry key at the Main office
